Great party last night, Feifei!

**Feifei**

It was so much fun, Neil. I loved your dad dancing too!

**Neil**

You... saw my dad... dancing? But my dad wasn't dancing. He wasn't even there.

**Feifei**

No, no, no. You know what I mean: 'dad dancing'. It means dancing... well, like a dad.

**Neil**

I'm not sure where you're going with this?

**Feifei**

“Dad dancing” 是这集“地道英语”节目里要介绍的表达。“Dad dancing”描述了一种笨拙、过时、太做作的舞姿。

**Neil**

What are you saying? I can moonwalk. I can spin on the spot. I can swing my arms in the air. I've got all the moves!

**Feifei**

哈，这些可都是经典的“dad dancing”舞步！Don't worry – it looked like you were really enjoying yourself.

**Neil**

It's OK, I get it. Some of my moves are a bit old-fashioned. But sometimes it just feels good to let go!

**Feifei**

I think your kids were a little bit embarrassed.

**Neil**

Really? They're just jealous.

**Feifei**

Haha, maybe! OK, let's hear some examples.

**Examples**

Wow, look at Ernesto. Is he swinging a cat? What a dad dancer!

Katka's dad was hilarious at the wedding. Everyone had stopped dancing, but he was still up there dad dancing, showing off all his moves.

I used to think Dad's dad dancing was funny. But after he injured his ankle really badly last time, I think it's time he slowed down.

**Feifei**

这里是 BBC 英语教学的“地道英语”节目。这次我们教给大家的表达是“dad dancing”。Neil?

**Neil**

Yeah... Uh-huh... OK, so next Wednesday? Yeah, OK. I'll see you!

**Feifei**

Who were you calling?

**Neil**

I've just booked some dance lessons. You've helped me realise I need to improve my skills.

**Feifei**

I was only teasing, Neil.

**Neil**

It's OK. If I'm dancing, I want to be the best dancer on the floor. And if I'm dad dancing, well, I want to be finest dad dancer you've ever seen!

**Feifei**

Best of luck. Bye!

**Neil**

Bye.
